

Setting up Application Environment

Team ID	PNT2022TMID43983
Project Name	Plasma Donor Application

Create Send Grid Account:

Step 1: Navigate to <https://sendgrid.com>

Step 2: Click on “ Start for free” and register yourselves by entering required details and click on create account.

Step 3: Further fill all required details in next page and click on get started.

The screenshot shows a web browser window with the URL `signup.sendgrid.com/account_details?s2s=true`. The page is titled "Tell Us About Yourself" and includes the text "This information will help us serve you better." The form contains the following fields and options:

 - 5,001 - 1,000
 - 5,001+

A "Get Started!" button is located at the bottom center of the form.

Step 4: That's it you have created your Send Grid account and got access to dashboard.

Output: Send Grid account created successfully.

The screenshot shows the SendGrid dashboard for user Mahadevan Velusamy. The URL is `app.sendgrid.com/guide?from=profile&integrate=true`. The dashboard includes a left sidebar with navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The main content area is titled "Welcome, Mahadevan!" and includes the text "To get up and running quickly, please follow the steps outlined below." A large blue banner reads "Send your first emails with Twilio SendGrid". Below this, a section titled "Create a sender identity" explains that a sender identity is needed before sending emails and offers two ways to create one: "Create a Single Sender" (highlighted with a blue button) and "Authenticate a domain instead". A diagram illustrates the sender identity as the "from" email address. At the bottom, a section titled "Send your first email" includes a lock icon and the text "Please create a sender identity before sending your first email." The bottom left corner shows a "REPUTATION 100%" status and a "VIEW ACCOUNT USAGE" link.
